MGCPB—3,500—15-10-01

on the 11th June 1905 in company with Mr. K. Srinivasa Rao, Asst. Commissioner of French-Rocks Division, it was found that the articles provided for in the estimate did not answer the purposes of a native kitchen and that hanging lamps etc were necessarily required for the building. Hence the present revised estimate submitted

Muzrai Secretary's remarks:-

I inspected this institution in June last and found that the building had been almost completed. I gave some suggestions to the P W. Officer (Mr Ellis) in charge, for the execution of some

very minor works such as hooks for hanging lamps and so on. Some other works, such as the construction of another latrine & drains behind the cooking rooms have been suggested to the Chief Engineer under orders passed by the Dewan and the 2nd Councillor.

The present reference relates to the supply of furniture and utensils for cooking and other purposes. The estimate for Rs 363 originally received had been prepared so as to suit the requirements of Europeans and was also very inadequate. So, at my request, revised.

estimates have now been submitted. I have examined these estimates and reduced the cost from Rs 1295 to Rs 883-5-0 as per revised estimates prepared in this Office. Articles for this amount appear to be a necessity and it is respectfully submitted that the amount may be sanctioned from State Funds as a new grant.

An establishment for the up-keep of the institution at a cost of Rs 20 per mensem has been recommended as shewn in the margin. Considering the importance of the institution the proposals

Sir,

In reply to your letter No.110 dated 10th July 1905 in re the laying out of a small garden and the planting of some fast growing trees in the compound of the Memorial Chatram at Serangapatam, I have the honor to state that on receipt of your letter under reply, a reference was made to the Superintendent Government Gardens, with a request that arrangements for the laying out of a small garden and the planting of some fast growing trees might be made as there is already a man in charge of the Daria Dowlat, who could easily see to this for a small consideration.

2. In his letter No.57 dated 29th July 1905, the Superintendent, Government Gardens, while stating that arrangements can be made with the Daroga of the Daria Dowlat bagh replied that in addition to 4 malies to be placed at the disposal of the Daroga, the Daroga proposed that the Amildar, who is in immediate charge of the chatram might be directed to supply tools, manure, red-earth gravel, sand &c as necessity arose, the plants and seeds being supplied by his Department at half the usual cost.

3. The Assistant Commissioner of the Frenchrocks Division was therefore requested to get an estimate prepared for this. Accordingly an estimate for Rs.300/9 prepared by the Daroga, Dariya Dowlat bagh was received with the Assistant Commissioner's letter No.187 of the 18/24 th August 1905 and is herewith submitted.

4. Mr.K.Sreenivasa Rao, Assistant Commissioner, French

cks Division states that he and the Amildar are of opinion that it will be necessary to incur the cost of a presentable garden has to be laid out.

5. The Amildar of the Serangapatam Taluk, in his report No.19 dated 17-8-05 (Herewith submitted) which formed an enclosure to the Assistant Commissioner's letter read above, states that after the garden is ready a sum of Rs.160 per annum might be sanctioned for the entertainment of 2 malies at Rs.6 each per mensem and Rs.16 for contingencies.

6. I therefore request that Government may be pleased to pass the estimate herewith submitted and provide necessary funds.
